

I am horrified to learn that Sinclair Broadcasting is planning to force their stations to air an anti-Kerry documentary two-weeks before the elections.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This is the danger that occurs when large companies control the airwaves--we are losing our democracy to a corporate controlled government.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. This shows why the license renewal process needs to be examined closely. Thank you.
